Special sports classes

- Our students have had a history of winning accolades by putting up excellent performance in sports competitions organised by various organisations. The students are trained under the supervision of coaches for participating in such competitions. With support from parents and immense efforts made by students and coaches, our school has gained recognition in sports events. Students have been putting up excellent performances in various sports events.
- Recently, our school organised a week long inter-school sports event, which was attended by participants from several schools in Vadodara. The event gathered sports talent from various corners of the city and gave our students a taste of competition. It was great entertainment to watch the students sweat it out in the sports field. The participants got a chance to showcase their skills in football, basketball and badminton. All the participants found motivation in the cheers and applause of the audience.
